

# President's Message!

Hello everyone I have been re-elected as Club President and I couldn't be happier. I have been an active member of this club for over 10 years and an avid snowmobiler all my life. I have been on the board of directors, vice president, served as a trail contact and signed/groomed extensively. I enjoy the sport and seeing everyone else riding our trails.

Our prior presidential mission hasn't changed much...."JUST GET IT DONE!" Anytime, anywhere and anyone who can help is appreciated. We have big plans to fix up our fleet of groomers, upgrade our equipment, and clean up trails and signage this year. Come to our meetings and stay tuned to Facebook and our Website for work parties.

We can't lose sight that we are here to provide safe enjoyable snowmobile trails and support our community by giving back wherever needed. I have been a huge advocate and lead many community fundraisers to help out those in need by volunteering the clubs time, equipment and resources to make someone's life a little better and I plan to continue that.

We now maintain 60 miles of trail across 151 private landowner's properties and we wouldn't be here without our LANDOWNERS, so thank them, not me.

I want to hear from you so call me anytime, (518) 692-9596 or come to our meetings.

*Sincerely, Jason Hammond*
